Guided Tour of Szentendre and the Kovács Margit Museum

Duration: 4h · Type: Classic

Departure by coach, accompanied by your guides, towards Szentendre, an unmissable destination for a peaceful and cultural getaway. This haven of serenity charms visitors with its cobbled streets, colorful houses, and picturesque views over the Danube, making it a delight for photography lovers. Rich in museums, galleries, and artistic events, the town is a true paradise for art and history enthusiasts.
A guided tour of the historic heart of Szentendre reveals a living picture of winding alleyways, lively squares, and pastel-colored façades. The main square, Fő tér, adorned with a Baroque memorial cross, is lined with cafés, artisan shops, and art galleries that contribute to the warm and bohemian atmosphere of the town. This Hungarian gem, nestled on the banks of the Danube, is a must-see destination.
You will then visit the Kovács Margit Museum, housed in an 18th-century salt loft and dedicated to the work of Szentendre's most renowned artist. This ceramic artist combined Hungarian folk, religious, and modern themes to create evocative figures. Some of her later works display a striking raw intensity, particularly those in which the theme of death plays a central role.
Finally, enjoy some free time to stroll through the charming streets, browse for souvenirs, or simply relax on the terrace of a café and soak up the peaceful atmosphere.
Return to the ship after the visit.
