BEAUJOLAIS VINEYARD

Excursion to the Beaujolais vineyards and visit of the Hameau Duboeuf

Duration: 4h · Type: Classic

Departure by coach in the company of our guide from Montmerle-sur-Saöne or Belleville to discover the Beaujolais vineyards extending on 22,500 hectares. We will pass through charming little wine-growing villages before reaching Romanèche-Thorins for a visit to the "Hameau Duboeuf ", a unique museum in Europe containing a collection of old and rare objects from over 2000 years of wine-growing history. We'll learn about the current wine-making and vine-growing processes when visiting the wine storehouse where the wines are left to age in oak barrels.

In the midst of the Beaujolais vineyards, we will discover the skills of the winemakers through exhibitions, automated puppet theaters and 3-D films. Afterwards, immerse yourself in fine aromas and delightful scents during a walk through the surprising gardens of "Oenoparc", a true haven for wine-lovers spread out on 30,000 m^2 and 25 exhibition halls. Before leaving the "Hameau Duboeuf", we will, of course, enjoy a tasting* of some of the region's wines. Return on board.
