WURZBURG GUIDED TOUR

Guided tour of Würzburg

Duration: 3h30 · Type: Classic

Departure by coach in the company of your hostess to the center of Würzburg.

Our tour will start with a visit to the Würzburg Residence (or Residenz), former palace of the Prince-Bishops of Würzburg. Construction was commissioned by Prince-Bishop Friedrich Carl von Schönborn as a replacement for the old Marienberg Fortress and lasted between 1720 and 1780. You'll discover 40 rooms richly decorated with furniture, paintings and tapestries by 18th century master artists and climb up the monumental Main Staircase designed by Balthasar Neumann. Among others, you will visit the Baroque Imperial Hall whose frescoes were the works of Italian painter Giovanni Battista Tiepolo, and the Imperial Apartments richly decorated in Rococo style.

Our tour will continue downtown where you will have some free time before returning on board by coach.
