

CRUISE OF 7 DAYS / 6 NIGHTS - REF. LEY_PP

Amsterdam and the pearls of the IJsselmeer (port-to-port cruise)

NETHERLANDS

The Netherlands has a unique relationship with water, which reveals itself at every moment throughout this cruise. From Amsterdam's canals to the vast expanses of the IJsselmeer, the landscape tells the story of a country that, for centuries, has lived alongside the sea, lakes and rivers. Dikes, polders and land reclaimed from the water create a unique setting, dotted with peaceful villages and historic towns. In this region once shaped by the Zuiderzee, historic ports and maritime traditions evoke a flourishing commercial past, while the unspoiled landscapes offer another, more intimate side of the Netherlands. At the leisurely pace of the cruise, the horizons constantly change, revealing a mosaic of heritage, know-how and landscapes. From the elegance of Amsterdam's canals to the charm of lakeside villages, this cruise invites you to discover an authentic Netherlands, deeply shaped by water and history.
