- The durations indicated in the program are for guidance only and do not take breaks into account.
- You don’t need to be an athlete to enjoy these hikes, but being in good shape and well-rested will allow you to get the most out of your cruise.
- Your Equipment
- Backpack
- A backpack (maximum 30L) is essential, to carry a sweater, rain gear, picnic, water bottle, and sun protection—vital for hiking.
- The right backpack will often determine your comfort and thus your enjoyment. Choose a backpack that is the right size, durable, with padded shoulder straps, tough and waterproof fabric.
- No baggage is carried for you.
- Shoes
- Good hiking shoes must above all be comfortable and not cause blisters. Make sure your shoes fit well—try them and break them in before departure.
- Whatever the difficulty of the hike, soles must be high quality: well-stitched, non-slip, and suited for varied or wet terrain.
- Prefer high-cut shoes with shock-absorbing soles to protect your ankles, back, and joints.
- Clothing

- ▪ thermal underwear adapted to the season and hike
- ▪ lightweight, quick-drying pants
- ▪ warm sweater or fleece
