CRUISE OF 8 DAYS / 7 NIGHTS - REF. NIS_PP

La Dolce Vita along the Italian coastline - Tuscany, Sardinia, Elba, and the Cinque Terre (port-to-port package)

FRANCE - ITALY

In the heart of Tuscany, Italian ingenuity came to life from the 12th to 14th centuries as the precursor to the Renaissance. The streets, squares, palaces, and churches in Florence and Lucca reflect the beauty, charm, and authenticity born from the movement. Outside the city, experience dazzling Tuscan vineyards and countrysides carpeted with olive and cypress trees. Discover the pink limestone streets of Portoferraio on Elba. We'll continue on to the Maddalena Archipelago in Sardinia, cruising past granite rocks and hidden beaches with turquoise waters. The Costa Smeralda shores offer views of jagged banks alternating with peaceful bays. Our last stop is the unforgettable Cinque Terre and its colorful homes suspended over the open sea.

Practical information

- INTERNET
- SATELLITE CONNECTIONS
- Our ship provides Internet connection via satellite while we cruise, which is different and slower than what we are used to through our regular home or office services. We cannot guarantee connection at all times. Please keep this in mind while you are enjoying your vacation with us.
- TELEPHONE SERVICE
- DURING CRUISE
- When we are at sea, you can connect your device(s) to the onboard GSM/3G network. Your service provider will automatically send you the terms and conditions of use for this service. You will be able to make calls, send messages, or use the Internet through this network's roaming services. The GSM network will be turned off once the ship enters a port.
- WHILE IN PORT
- When the ship is in a port, you will be able to receive and make calls via your international calling/service plan according to the country you are visiting.
- WATCH OUT FOR SERVICE FEES
- We strongly recommend that you contact your service provider before your departure; international calls and data usage can be very costly and are almost never included in basic operator packages.
- PLEASE CHECK THE SETTINGS FOR YOUR DEVICE
- Once you are on board, but before you connect to the Internet, please check the settings for your device(s). We request that you limit the downloading of videos and large-volume files. Automatic updates to your PC, tablet, and smartphones will affect the speed and cost of your connection. You probably have automatic updates for apps on your devices that you are not aware of.
