The hidden gems of the Parisian countryside - A cruise between châteaux, art and French flavours (port-to-port cruise)

PARIS TO PONT-L'ÉVÊQUE

Splurge on our exclusive offer and vacation through an incontestably captivating region of France, the Oise Valley. The Oise River meanders through the wooded countryside it has carved meticulously throughout history. This cruise includes a multitude of historic sites and guarantees an in-depth look into our colorful culture. Discover the Château de Malmaison. In Auvers-sur-Oise, follow the footsteps of Van Gogh to the Musée de l'Absinthe and learn about the café atmosphere influencing the artists at the time. Further along, the Château de Chantilly gives you a good idea of what the French consider their art de vivre. To wrap it all up, pay your respects to those who sacrificed their lives over a hundred years ago at the Armistice Memorial in Compiègne. Of course, our cruise will be filled with French cuisine delights, including a masterclass on making crème chantilly by a member of the Confrérie des Chevaliers Fouetteurs.
