Magical Christmas in Prague (port-to-port cruise)

CZECHIA

Prague in December is full of magic and festivities. Colorful decorations and lights brighten the streets. A magnificent Christmas tree dominates the Old Town Square. You can feel the holiday excitement in the air. This is the perfect time to explore the city's unconventional attractions, including the Lobkowicz Collection at the palace, the 200,000 books in the Strahov Monastery Library—one of Europe's most prized bibliotheca—and the Loreta baroque monastery. You'll also enjoy a private concert in a historic hall in the city. To top it all off, Christmas markets abound!
