Practical information

- Degree of difficulty: 2.5 (on a scale from 0 to 5)
- The hikes proposed as part of this cruise include walks of 2 to 5 hours, featuring varying degrees of ascent and descent. They offer a unique opportunity to discover and appreciate some of the natural and cultural highlights of your cruise at a relaxed walking pace. The durations indicated in the itinerary are for guidance only and do not include breaks.
- You don’t need to be a trained athlete to join, but we recommend arriving well-rested and in good shape to make the most of your cruise.
- Your equipment
- Rucksack
- It is essential to bring a rucksack (maximum capacity: 30 litres) that can hold a sweater, rain gear, a picnic, a water bottle, and sun protection—must-haves for all hikes.
- The comfort of your bag will directly impact your hiking experience, so choose a sturdy, well-fitted backpack with padded shoulder straps and made from durable, waterproof material.
- Please note that no porterage is provided during the hikes.
- Shoes
- Above all, your shoes must be comfortable and should not cause any pain or injury. Make sure you are confident in your footwear and try it out before your trip.
- Regardless of the hike’s difficulty, your shoes should have high-quality soles: well-stitched and non-slip, suitable for both dry and wet terrain. We recommend high-top shoes with shock-absorbing soles to reduce the risk of sprains, back strain, and joint pain.
- Clothing
- Your hiking gear should always include:
- ▪ Undergarments suited to the season and hike intensity
- ▪ Lightweight trousers that dry quickly
- ▪ Warm fleece or wool pullover
- ▪ Waterproof poncho or rain jacket
- ▪ Hat or cap
- ▪ Thin gloves and a hat or beanie (especially useful in early or late season)
- Other equipment
