DAY 2

SAINT-LEGER-SUR-DHEUNE - SANTENAY - CHAGNY

We'll leave by coach for our excursion towards Nolay, where we will find our trailhead to hike to the Cirque du Bout du Monde, a Natura 2000 natural site. We'll see the imposing chalk cliffs carved out by the Cozanne River which created a blind valley, where a waterfall over 80 feet high adds a touch of wonder. In the afternoon, just a few kilometers from Santenay, you will set off to discover an exceptional château, where history and terroir blend harmoniously. Nestled between vineyards and rolling hills, this site of great historical richness invites you to immerse yourself in the art of Burgundian winemaking. The château's owner will warmly welcome you and personally guide you through the estate, revealing the secrets of vine cultivation, winemaking techniques, and time-honored family traditions. After the visit, you will enjoy a wine tasting, carefully curated for its quality and character—a moment of sharing and sensory discovery. The end of the afternoon will be spent cruising towards Chagny.
